

KAYAK TOURS

Sam's Planet Blue Kayak Tours offers six amazing and diverse kayak tours to Palau's spectacular pristine coral gardens, reef fish nurseries, hidden lagoons, marine caves, limestone tunnels, forgotten WWII sites, ancient Palauan villages, and breathtaking tropical beaches. Led by world class biologist-trained guides, all tours include a gentle mix of paddling, snorkeling, birding, exploring, beach time and lots of fun! No paddling experience is necessary and speed boat shuttles to and from the Rock Islands ensure a relaxing adventure.

Explore inner lagoon nurseries for baby sharks and tropical fishes with our **Risong Bay Tour** or enjoy an excellent tour for adventurers of all ages at **Nikko Bay**. Go to a gentle ride through the mangrove forest with **Long Lake Tour** while **The Tarzan Tour** ensures an action filled day!
