

NEW DROP - OFF

NEW DROP-OFF

Dive Site:

- Two reef walls meet here to create a dramatic corner with a plateau, before dropping into the Abyss

Marine Life:

- Schooling Blue Stripe Snapper, Black Snapper, Napoleon Wrasse, Barracudas, Spotted Eagle Ray, 6-Banded-, Regal and Emperor Angelfish, Hawksbill & Green Turtles
- Clouds of Pyramid Butterfly fish, Square Spot Anthias, Red-tooth Triggers, Moorish Idols, Sergeant Major's and Yellowtail Fusiliers along the reef edge
- Gray & Whitetip Reef sharks patrolling the wall & corner
- Search for Leafy Scorpion fish, Moray Eels, Nudibranchs & Turtles on the plateau
- Sea Anemones along the upper reaches of the wall
- Very large Gorgonian fans & healthy soft corals on the sheer reef walls
